

NOTICE OF PROPOSED EMERGENCY REGULATIONS

To All Interested Parties:

Government Code section 11346.1, as amended by AB 302, Chapter 73, Statutes of 2006, requires that an adopting agency provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. The notice shall be provided to said interested parties at least five working days before submitting an emergency regulation to the Office of Administrative Law.

Attached are the proposed emergency regulations by the Dental Board of California relating to licensure by completion of a general residency program or advanced education in general dentistry program. Also attached is the Board's Finding of Emergency.

The Board plans to have a hearing on these regulations in the very near future and will send out notices as soon as the date of the hearing is determined.
